A wine made by:

Fernando
Remíz de Ganuza

Pedro
Aibar Sánchez

GRAPES: Tinta del País or Tempranillo originating from old vineyards (between 35 and 80 years old). Located in Olmedillo, Roa, La Horra, Moradillo, Pesquera and Peñafiel.

ALCOHOL CONTENT: 14.5% Vol.

PRODUCTION: 44,802 bottles of 75 cl. 1,694 Magnum and 288 Double Magnum

SOILS: Limestone substratum covered with clay in the area of Burgos and Pesquera. Gravel and sand around Peñafiel.

CLIMATE: Extreme continental. Great temperature contrast between winter and summer. Between day and night.

2016 HARVEST: A mild winter and a rainy spring with delayed budding. High temperatures in the month of July contributed to early flowering. The summer was hot and dry. High temperatures in the month of September and the existing water reserves from the spring allowed optimal ripening. The harvest started earlier than usual, on September 27th, with exceptional grape quality. Autumn was also dry, which allowed the harvests to be extended until well into October.

WINEMAKING PROCESS: Hand-picked grapes in small boxes and meticulous selection of bunches on the sorting table. Cold maceration for 5-7 days at a temperature no higher than 10°C. Alcoholic fermentation at a controlled temperature in small truncated cone-shaped vats. Malolactic fermentation in new 225-litre barrels. We make wine separately with the grapes from each of our vineyards.

AGEING: 16 months in new barrels. The majority of them are French oak.

BOTTLING: April 2018

TASTING NOTES: High colour intensity. Cherry red tone. The nose is a surprising mix of aromatic and fresh blue flower notes over ripe red fruit. The new oak adds complexity with toasted and smoky notes (cacao, toffee, coffee) and spices (pepper). In the mouth, it is a fleshy, fresh wine with complexity and power, yet fine and elegant. The tannic structure is silky and perfectly balanced with the acidity and alcohol. Very prolonged persistence in the mouth. Wine of great character and elegance.
